Hello,  
If you be so kind, it would help me with a few people to get a version from you (of course you may revise as you like) of this statement:  
I want to personally and on behalf of the Memphis Crime Commission thank you for your media partnership and contributions to the Fed Up anti-gun crime campaign.  
Your media is a conduit to our target audiences without which we could not achieve the success that we have in reducing gun violence.  
Unfortunately, we have experienced a delay in payment from Shelby County government which is delaying payments to your organization. While I appreciate your indulgence, I also want to reassure you that this is literally on the Mayor's desk and we expect resolution very soon.

Sincerely,

This is for a few media people (particularly the outdoor company) that continued through the summer months so we would have messaging presence.

Thanks so much Bill and just send to me.

H
